DARYL COFFEE TABLE

6844
H: 16 IN, Dia: 36.00 IN
Antique Black

Artisan technique takes hold in the compelling design of our Daryl Side Table's counterpart. The solid wood top has been carved with a rhythmic design then clad in antique brass sheet. A slim and short tapered aluminum base is finished in antique bronze and works to complement the top with a striking contrast in color and materials. Clad finish will vary.
