H: 14 IN, Dia: 7.50 IN  
Blackened Steel  
Contract Suitable As Is

The Cut Small Pendant, featuring a clear etched-glass shade reminiscent of cut crystal, offers a contemporary twist on a timeless technique. The drum-shaped shade's deeply grooved texture casts beautifully patterned light and shadow. With a focus on material connections, the Pendant's cylindrical glass shade cuffs its blackened steel top, which is suspended from a black cloth cord. The Cut Small Pendant can be installed in multiples or with Cut Tall Pendants for unique lighting designs for residential and hospitality applications. Damp-rated, although limited covered outdoor areas may affect finish.
