DALE LAMP

49352-862
 H: 31 IN, Dia: 19.00 IN
 Clear Glass, Bronze
 Contract Suitable As Is

Featuring a cylindrical glass body the Dale Lamp elevates simplicity. Lacking a base and a formal cap the Dale uses negative space and transparency to in fact add more to its space. Replacing the traditional cap is a bronze claw-like top that gives way to its neck and white linen drum shade with white microfiber lining. Features a decorative crystal finial and a taupe cloth cord.
