 Contract Suitable As Is

Created in a rich oxblood steel shade, the Wade flush mount adds a striking layer of rich, matte color into an interior. The shade is designed in a classic bowl shape, which is topped with an antique brass steel accent. A matching oxblood canopy secures the light to the ceiling. The fixture is outfitted with a steel antique brass finished rod, to offer usage as a pendant, as well. Damp-rated, although limited covered outdoor conditions may affect finish.
